

Certificate of conformity of the factory production control

2874-CPR-2369

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product:

Strength graded structural timber with rectangular cross Section

With rectangular cross section for joists, posts, studs, beams, roof timbers for buildings and bridges produced under factory production control and the continuous surveillance, assessment and evaluation of the factory production control under system 2+ produced by:

Sweden Timber Hjortkvarn AB

and produced in the manufacturing plant:

Stolpabacken 3, 697 93 Hjortkvarn

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s):

EN 14081:2005+A1:2011

under system 2+ are applied and that the factory production control fulfils all the prescribed requirements set out above. This certificate was first issued on **18 March 2024** and will remain valid if the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified.
